1.	**Siún Nic Gearailt**: Tá córas nua-aimseartha, idirghníomhach curtha ar bun ag Ionad Aillte an Mhothair i gContae an Chláir, chun blaiseadh de na radharcanna sa cheantar a thabhairt do chuairteoirí.	**Siún Nic Gearailt**: A modern interactive system has been set up at the Cliffs of Moher Center in County Clare, to give visitors a taste of the sights in the area.
2.	Córas é seo atá dírithe ar thurasóirí, ach go háirithe nuair a bhíonn sé ag báisteach agus nach féidir na faillte a fheiscint.	This is a system that is directed at tourists, especially when it is rainy and not possible to see the cliffs.
3.	**Tomás Ó Mainnín**: Lá eile báistí ar chósta an Iarthair agus cuairteoirí ag iarraidh sásamh a bhaint as Aillte an Mhothair.	**Tomás Ó Mainnín**: Another rainy day on the West Coast as tourists try to enjoy the Cliffs of Moher.
4.	Do chuid acu, áfach, loiteann an síorbháisteach, an ceo agus *leagaíocha* sa phluda an turas.	For some of them, however, the continual rain and fog and falling in the mud ruins the trip.
	Tá Aillte an Mhothair ar an láthair nádúrtha is mó in Éirinn a tharraingíonn cuairteoirí, le os cionn milliún duine ag teacht anseo gach aon bhliain anois.	The Cliffs of Moher is the natural location in Ireland that most draws visitors, with over a million people coming hear every year now.
6.	Ach nuair a thagann cuid acu anseo níl rompu ach ceo agus báisteach agus gan aon radharc ar na *faillte* diamhracha a mheall iad sa chéad áit.	But when some of them come here, there is nothing for them but fog and rain and no view of the mysterious cliffs that attracted them in the first place.
7.	Chun blaiseadh de na radharcanna a thabhairt do chuairteoirí nuair nach bhfuil an radharc glan, tá córas nua léirithe idirghníomhach curtha in áit anseo.	To give tourists a taste of the sights when the view isn't clear, a new interactive display system has been put in place here.

9.	Tugann gainéad an lucht féachana ar thuras timpeall na *bhfaillteacha*, sula dtumann sí ina saighead faoin bhfarraige.	A gannet takes the audience on a trip around the cliffs, before dives as an arrow under the sea.
10.	Tugann an scannán léargas ar an ndomhan fo-thoinn, sula n-éiríonn an gainéad arís agus a thugann turas os cionn na farraige go barr na *bhfaillteacha*.	The film gives a view of the world under the waves, before the gannet rises again and makes a trip above the sea to the top of the cliffs.
11.	Braitheann an lucht féachana idir ghaoth agus sprae na farraige agus na haimsire ar a dturas fíorúil.	The audience feels wind, sea spray and the weather on their virtual journey.

12. Áirítear gur córas ar leith é seo agus infheistíocht mhór san ionad atá in úinéireacht Chomhairle Contae an Chláir.

This is a unique system and a great investment in the center that is owned by the Clare County Council.
